Hi, Chris.

I wanted to make sure you knew that the date for the NPL listing has slipped a week. We are now expecting the listing to occur "the week of March 14," exact date TBD.

All the comments received on the proposed listing are on the docket at [regulations.gov](https://www.regulations.gov) / EPA-HQ-OLEM-2021-0462 <Blockedhttps://(b)(6)>
